

Fifteen Most Commonly Provided Services

In compliance with Colorado Revised Statute: 25-49-103 – Transparency in Health Care Prices Act we are listing our top 15 most commonly provided services, CPT code, description and charge. Please be advised that the health care price for any given health care service is an estimate and that the actual charges for the health care service are dependent on the circumstances at the time the service is rendered; and the following statement or a statement containing substantially similar information:

If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular health care service provided by a health care provider at this office. If you are not covered by health insurance, you are strongly encouraged to contact our billing office at (303) 399-7900 to discuss payment options prior to receiving a health care service from a health care provider at this office since posted health care prices may not reflect the actual amount of your financial responsibility.

87880 - Infectious agent antigen detection by immunoassay with direct optical observation; Streptococcus, group A (rapid strep test). \$30.00
